

VOLLEYBALL CANADA

LETTER OF GOOD STANDING

WHAT IS THE PURPOSE OF A LETTER IN GOOD STANDING?

- A letter of good standing is required by other national volleyball federations when you participate in their sanctioned events, to ensure teams and individuals are registered, and known. This is not an endorsement of travel. All participants must follow all Canadian and International government restrictions in effect.

WHEN IS A LETTER OF GOOD STANDING REQUIRED?

- A letter of good standing is required when an individual or a team travels outside of Canada to participate in a volleyball event sanctioned by that country's national volleyball federation.
 - *Example: A club located in Canada travels to participate in USA Volleyball sanctioned event.*

USAV SANCTIONED AND NON-SANCTIONED EVENTS

- Volleyball Canada has worked with the FIVB and NORCECA on how certain international regulations have affected its registered participants
- As such, Volleyball Canada can now issue Letters of Good Standing for teams wishing to participate USAV sanctioned and non-sanctioned events (Ex: JVA and AAU Events).

WHO CAN RECEIVE THIS?

- Teams
- Individuals (players, athletes, coaches, referees, team managers, team contacts)

HOW MUCH DOES THIS COST?

- VC provides this to its members as part of their annual membership fee.
- An administrative fee of \$10.00 + applicable taxes will be charged for requests received less than 5 business days before it is required (rush requests).

WHEN SHOULD THIS BE APPLIED FOR?

- As soon as possible. VC will strive to provide a letter in a time sensitive manner, however an administrative fee may be charged for "rush requests".

HOW LONG IS THIS LETTER VALID FOR?

- This letter will only be valid for the events listed below (page 4)

WHAT INFORMATION WILL BE NEEDED TO OBTAIN THE LETTER?

- Club Name and Team Name
- First Name and Last Name of all athletes, coaches, registered support staff
- Details for each non-VC event that the team or individual wish to participate in, including location and dates
