

# 13/14U PROVINCIAL CHAMPIONSHIPS

PROUDLY PRESENTED BY VOLLEYBALL BC

## ~THANK YOU FOR ATTENDING PROVINCIALS~

On behalf of the Board and staff of Volleyball BC, I am thrilled to welcome you to the 2024 Provincial Championships at Tradex and throughout Abbotsford. Abbotsford is located within S'ólh Téméxw - the traditional territory of the Máthxwi, Semá:th, and Leq'a:mel First Nations.

Provincial Championships are the pinnacle of our competition season and we would like to acknowledge the hard work and efforts that every individual has put into getting to this weekend. This is our annual opportunity to bring coaches, athletes, referees, and spectators together from across our province in a weekend of exciting volleyball action. We are looking forward to sharing the wins, losses, and, most importantly, the friendships and camaraderie that volleyball creates between us.

As we head toward the end of the 2024 season, I would like to provide some thank yous. Firstly, a special thank you to our 72 clubs across BC that have worked so hard throughout the season to create memorable experiences for youth athletes. We are incredibly lucky to have such passionate individuals to create teams, develop athletes, train coaches, and organise logistics in communities throughout the province. I would also like to acknowledge and thank the referee community. Without the dedication and efforts of referees, we simply would not have competition and we are deeply appreciative for their hard work over the last few months. Finally, I would like to thank the athletes and families for their participation and commitment throughout the season. We hope that you have had a fun season and we are looking forward to seeing you at Provincials!

Emma Gibbons,  
Chief Executive Officer

## **Land Acknowledgement**

While we come together from many places in the Province, we would like to acknowledge that we are gathering and playing these Provincial Championships on the traditional lands of the the Máthxwi, Semá:th, and Leq'a:mel First Nations.

## **Welcome to Abbotsford**

Abbotsford is located within S'ólh Téméxw - the traditional territory of the Máthxwi, Semá:th, and Leq'a:mel First Nations. Tucked in the scenic Fraser Valley, with Sumas Peak, McKee Peak and Mount Baker serving as landmarks to the city, Abbotsford is BC's largest city by geographical size and is 70% comprised of farmland. Located just 60 minutes east of Vancouver and serviced by an international airport and border crossing, Abbotsford is easily accessible with all the amenities.
